Owner Comments: Blix is a confident energetic dog who loves to please. I recognized the need to diversify our Entlebucher gene pool and searched for dogs throughout Europe with the genetic qualities I desired. Blix and his littermate Bolt are out of Derbyland Kennels in the Ukraine. They are both PRCD-A with 'Excellent' hips, good patella's and clear, dark brown eyes. Blix is outgoing and warms up quickly to new friends and situations. He is also a cuddle bug and will sit on your lap as long as you let him. Blix weighs 52 lbs and has a very beautiful gait.
