Owner Comments: Jai is a beautiful dog, athletic and well proportioned, with a pretty head, perfect markings, and dark eyes. Her temperament is absolutely stellar. She is incredibly sweet, affectionate, nurturing, and kind - the dog who will immediately come say hello to friends or strangers and will greet you with wags and kisses every single time you enter the room. She has a puppy spirit about her, playful, funny, mischievous. She is every dog's best friend, easy to play with, vigorous but not aggressive. She's a super athlete but easygoing, not obsessive. She was our keeper from our first litter, and we said if we only ever breed dogs just like her, we will have achieved all our breeding goals.
