Owner Comments: Nakita Josephine de Jude la Cathare was imported from France to be our breeding bitch. She is a lot of energy in a small package, standing 17 1/2" tall and weighing in at 40 lbs. Nakita is very athletic, (runs at phenomenal speed, has huge vertical jumps and LOVES to herd sheep) but she also enjoys snuggle time. Nakita has not yet completed a CEBA evaluation but has shown in CKC, AKC and AIBCA to confirm appropriate breed conformation.

** Height has an asterisk if Entle has an official measurement from AKC, CEBA or other organization with measuring standards.*
